

2023 Swarm List

All PSBA volunteers listed below can capture and remove honey bee swarms for free. Please report swarms as soon as possible by contacting a beekeeper from one of the closest areas listed below. If you have issues finding an available beekeeper in the King County area, please call or text the swarm list manager for help: Jeff, 206.354.9774

Key

Names showing the below symbols can also perform additional services that may incur a fee:

- * Relocate bumble bee nests.
- ^ Cutout honeybee nests from inside building cavities and relocate them.
- ~ Remove wasps, hornets and yellow jacket nests.
- # Recover swarms above 18 feet.

A honey bee swarm is a mass of bees hanging from a limb, branch, or other object.
