**SPECIES ROSES - Will arrive in May/June, with a limited restock of other rose varieties.**

**VARIETIES CAN SELL OUT VERY QUICKLY. PLEASE CALL OR EMAIL FOR AVAILABILITY.**

**Own Root** | These roses are not grafted & will not produce rootstock 'suckers.' Keep in mind, varieties may be ownroot or not based on the year's availability.

**No Spray Winner** | These roses are hardy & high performance, w/o need for fungicides/insecticides. Rated by the American Rose Trials for Sustainability.

**Fragrance Winner** | Awarded best fragrance by the American Rose Society in yearly judging

**Seattle Rose Society Pick** | You can count on these roses as exceptional choices for our Pacific Northwest climate

**What does it mean if disease resistance is left blank?** | Variety has not been effectively tested for resistance, or may have less than excellent performance.
